

Open ended Christmas Experiences...not a template in sight.

Stimulus - variety of pictures of stars

Christmas Stars drawn, decorated with paint and glitter and cut.

Hanging Angel - created from vast array of open ended resources available

Stimulus - a Christmas tree and stars in room

Children made Christmas T-shirts. They chose colour of fabric and outline, and then decorated from array of materials.

The range of Christmas T-shirt designs.

Hanging Christmas Trees

Array of collage, paint and drawing implements - cut out by children.

A child's own representation of a Christmas tree.

Jacob used black marker pen to draw this, using a Santa picture book as inspiration. After drawing it he added colour using water paints and white acrylic paint.
