

# Wilma and why basics matter

*More children than ever are arriving in our schools with one or more developmental delays and this creates a “gap” that is almost impossible to overcome throughout the school journey. Using the metaphor of a wise grandmother or aunty, Wilma the wallaby, Maggie explores back-to-basics, commonsense wisdom in her role as a guide for parents of children under six. She discusses what is essential for babies and toddlers and how meeting these needs allows children to thrive and be ready for school and life.*

**Where:** James Nash High School Performing Arts Centre, Myall Street, Gympie

**When:** Wednesday 3rd September 2014
