

9 Things

A BACK-TO-BASICS GUIDE TO CALM,
COMMON-SENSE, CONNECTED PARENTING BIRTH-8

More children than ever are arriving in our schools with one or more developmental delays and this creates a "gap" that is almost impossible to overcome throughout the school journey. Maggie explores the role of healthy parenting with a back-to-basics, common-sense guide to what is essential for babies and toddlers that allows children to be able to thrive and be ready for school and life. The motif of Aunty Wilma the wallaby is Maggie's guide for parents of children birth to 8 as she explores the 9 Things that really matter when making decisions in children's lives.
