

ECTA Cairns Regional Group

Presents

Rhymers will be readers :

using songs and rhymes to introduce children to the magical world of reading. This hands-on, interactive workshop explores how by introducing children to interesting and stimulating language experiences they will develop a life-long love of reading and stories.

And

Dream, draw, design, make:- From STEM to STEAM in early years Education.

This hands-on interactive workshop explores the integration of engineering and the arts in Early Years curriculum. Engineer and writer Andrew King, and musician and early years educator Sue Lewin combine their knowledge and experience in their chosen fields to lead participants through practical activities, philosophies, songs and creative thinking for children. Dream it: -STEAM IT.
